

# The Pool

The Danbury Community Center (DCC) houses Danbury's only indoor, public pool. Whether you are looking to learn, play, or exercise, the DCC pool is your year-round destination. We are committed to safety and community development, employing lifeguards from the Greater Danbury community and certified by the American Red Cross.

## Open Swim

Because the pool is kept at a comfortable temperature no matter what mother nature is doing outside, open swim at the DCC pool is a great way for you and your family to escape summer's heat and storms. In the winter, bring everyone to forget about the snowy cold as you swim and play.

## Swim Lessons

The DCC offers swim lessons for all ages and abilities. From children as young as four who have never been in the water to grandparents who wish they could learn to swim to safely play in the pool with their grandkids, the DCC has classes that fit the needs of your family at a family friendly price.
