

Programs

Connecticut Institute For Communities **Early Learning Programs** (ELP) is a leading provider of childcare and early-education for children in Danbury and Norwalk. CIFIC's **Head Start**, **Early Head Start**, and **School Readiness** programs educate over 500 students a year at little or no cost to eligible families. The highly qualified educators of CIFIC's Early Learning Programs support children's growth, learning, health, and family well-being in a supportive, nurturing environment that engages parents as partners in their children's education.

Programs Offered at CIFIC ELP

[Early Head Start](#) provides an environment that is warm, nurturing, inclusive, and safe, with an enriching educational setting designed to allow infants and toddlers under 3 years old to learn and grow at their own pace, while parents are at work. Early Head Start is available for eligible families with children under 3 years old.

[Head Start](#) provides a high-quality foundational pre-kindergarten education that prepares students for long-term success with focuses on basic skills, social-emotional development, and growth. Head Start is available at no cost for eligible families with children over the age of 3 years who have not reached Kindergarten.

[School Readiness](#) students receive the same high-quality education as the Head Start students and is offered at our Northern Fairfield County programs in Danbury. School Readiness is available on a sliding fee scale to families that do not qualify for the Head Start program.
